The Trustees received a progress report regarding Proposition 39 and the Clean Energy Jobs Act. Mary Jarvis (Interim Chief Business Officer) provided the Board with budget adjustments resulting from the California State Budget Act and the District will be receiving approximately \$25,000 of additional funding in a one-time reimbursement.

Trustees

Currently the 5th grade classroom is projected to have the largest class in the school for the 2017-18 school year. Consequently, the Trustees approved the allocation of additional Instructional Assistant hours to support the teacher and students. The Trustees reviewed a series of revised Board Policies and Administrative Regulations, which will be brought back to the Trustees for Action at their next regularly scheduled meeting on August 14th.
