## What do we do in Spanish?

We read and write and listen and speak! We sing songs, solve puzzles, and play games. We meet on Monday and Wednesday afternoons for adventures in Spanish, and we meet multiple times per week because the repetition is instrumental to language retention. The program is two-pronged: helping students enjoy learning a new language, and preparing students to move ahead of schedule with foreign language in junior high or high school. Although we do progress from fall to spring and year to year, I use a spiral approach—looping back around to basics while expanding to new vocabulary and concepts—so students who have not had Spanish before are welcome to jump right in!

## Who is the instructor?

Holly Covington has been teaching Spanish after school at Cold Spring since 2009. She also spent several years teaching Spanish full-time at a K-8 school in Indiana. Mrs. Covington loves Spanish (she is part Spanish and has family in Spain) and is enthusiastic about sharing the language with students so that they can make it their own. Learning one language is also a great gateway to learning others! Mrs. Covington has four children; one is a student at Cold Spring this year and two are alumni.

## How do I sign up?
