Public Hearing On the Initial Proposals for Bargaining Between Cold Spring School District and Cold Spring Education Association for The 2017-18 School Year

California Government Code Section 3547 stipulates that the public be given an opportunity to become knowledgeable and to provide comment with respect to the topics submitted by a public school employer to negotiations with exclusive representatives of employees of the school district. Copies of this draft of initial proposals, copies of initial proposals submitted by employee organizations, and current collective bargaining agreements are available for public inspection, during regular business hours, in the District Office of the Cold Spring School District located at 2243 Sycamore Canyon Road, Santa Barbara, CA 93108. The Board of Trustees will schedule a public hearing pursuant to its Board Policy 4131.1 so that members of the public may express their views concerning the topics to be submitted to negotiations. By making these proposals available for inspection, holding a hearing for public comment, and adopting these initial proposals during a public meeting of the Board of Trustees, the Cold Spring School District will have fully met its duty of public notice.
