From the Superintendent

A SAFETY REMINDER: It is unsafe for pedestrians and bicyclists when vehicles drop students off at the Stoddard entrance in the morning, or pick them up there in the afternoon. Most of our pedestrian traffic comes from that area, and it is not designed for safe drop-off and pick-up. Please drop off your child and pick them up from the Cold Spring parking lot. Thank you for your cooperation.

Thank you to the many of you who brought money to buy treats last Friday at the Buddy Bench Bake Sale! It was a huge success, and proceeds will go toward the purchase and installation of a Buddy Bench on campus. A Buddy Bench is where students can sit to signal that they need a playmate, and where other students can come to offer to play. A special thank you to Lilianna Richey and her family for their vision and enthusiasm for this project!

Commendations

The following students have displayed outstanding conduct, exemplifying the standards of Cold Spring School:

Parker Hann
Levi Korman
Marin Marcillac
Lucia Metcalfe
Isabella Ramirez

Congratulations – Keep up the good work!
